

Crown Street OSHC: Vacation Care Program

April 2026

Excursions, Excursions, Excursions!

After the overwhelming positive feedback from our January Program, we are thrilled to introduce you to our April program!

We were overwhelmed with amazing feedback from our children, families and Educators so we knew we did something right. In April the children can look forward to more excursions, variety and excitement at OSHC. We encourage families to get in quick and book early to avoid disappointment as spaces are strictly limited!

Families need to note:

Children will need to have breakfast before Vacation Care or bring along breakfast.

Families will need to pack morning tea, lunch and afternoon tea. Each day, unless advertised otherwise.

Bookings

All Vacation Care bookings can be made via the OWNA app from the bookings calendar. We encourage families to book as soon as possible to avoid missing out. Please email Tahlia at oshc@shnc.org for assistance.

Child Care Subsidy (CCS) will be applied for eligible families to reduce the out-of-pocket cost.

Please ensure your child has the required bookings before coming to the service. We will not be able to accept children into care without a booking. We are unable to honor bookings that failed to process.

Information about Wednesday 15/05 - Our First Split Age Excursion.

At OSHC we understand that there are challenges for both age groups in a mixed setting. The younger children can feel intimidated by the older children's energy and the older children can become disengaged when the activity focuses on younger children.

We are looking for a solution that can balance the needs and interests of each age group in a safe and fun way.

These holidays we will be trialing a split excursion. On Wednesday 15/04/2026 we will be hosting our first junior/ senior split excursion. Children in K-2 will be booked to attend Vitaland Play Center and children in 3-6 will attend VR Quest! Both groups will have a Responsible Person and First Aider present. And access to a service issued phone for communication and of course - photos!
